

THE SACRED SEARCH: WHAT IF IT'S NOT ABOUT WHO YOU MARRY, BUT WHY? by Gary L. Thomas      book PDF Download

**The Sacred Search: What If It's Not about Who You Marry, But Why?**      What if you stopped looking for a soul mate and started looking for a sole mate someone who will live out with you the great purpose of God? What if dating isn't about finding the one but making a wise choice so you can better serve the One who loves you most? What if God didn't design relationships to make you happy but to make you holy? In *The Sacred Search*, Gary Thomas will transform the way you look at romantic relationships. Whether you are single, dating, or engaged, Gary's unique perspective on dating will prepare you for a satisfying, spiritually enriching marriage even before you walk down the aisle. As Gary reminds us, a good marriage is not something you find it's something you make."
